

Society of Road Safety Auditors 3rd Annual Conference

14 and 15 June 2010 in Central Birmingham

Call for Abstracts

Do you have something to say that would be of interest to Road Safety Auditors?

Have you been involved in the introduction or Audit of interesting or innovative schemes?

Have you come across something of interest to Auditors when undertaking a collision investigation or prevention study?

The Society of Road Safety Auditors is currently planning its 3rd Annual Conference. The first two conferences have been highly successful and have been attended by Auditors from the public and private sectors across the UK, from Ireland and from other countries.

The Society would welcome the receipt of Abstracts of papers that could be presented to its 2010 Conference. Papers should broadly be in the range of:

Road Safety Audit

Road Safety Engineering

Collision Investigation and Prevention

Abstracts should consist of no more than 150 words and should outline the subject matter of the proposed presentation. The abstract should not include photographs or appendices. Presentations should be 25 minutes in length.

Abstracts should be sent to the Society's Secretary at alan.rookes@capita.co.uk no later than the 1st March 2010.
