North East & Cumbria Region Annual Awards 2019

Project of the Year Award – Entry Form

The CIHT North East & Cumbria Region Annual Awards celebrate the very best that the region can offer across four key areas of highways and transportation. Open to everyone: members and non-members; small and large companies; public and private sector, the awards recognise the outstanding contribution the CIHT Region makes to all our lives.

The Project of the Year Award, sponsored by Mott MacDonald, is to recognise and encourage imaginative research, concepts and excellence within the highways and transportation industry where a marked positive benefit has been achieved in the North East & Cumbria or been produced by people working in the area.

It can relate to design, construction, management, product development or any other facet of the industry and include projects of any size.
