1. INTRODUCTION

CIHT is governed by Royal Charter and Bye-laws. These define the ‘powers’ of the Institution – what the organisation is permitted to do, and the core rules which it must follow. Changes to the Royal Charter and Byelaws would require a resolution of the members at an AGM/EGM, and the approval of the Privy Council and in some cases, the approval of the Charity Commission. In addition, CIHT is required to advise the Engineering Council of any governance changes to comply with the licensing condition. The Charter and Byelaws are necessarily broadly written to avoid frequent changes which are complex, costly, and time consuming to implement. Standing Orders provide more detailed supporting information and guidance on the operation of Council, the operation of the Board of Trustees and other Strategic Boards/Committees. These Standing Orders document their membership, terms of reference and role and provide guidance on the conduct of meetings.

Authority for Standing Orders

The Trustees have the power to make reasonable and proper rules (‘Standing Orders’) as they may deem necessary or expedient for the proper conduct and management of the Institution (Bye-law 24.1). The Standing Orders may regulate the following matters but are not restricted to them:

- the admission of members and the rights and privileges of such members,
- the conduct of the Council and the conduct of the members of the Institution;
- the procedure at general meetings, meetings of the Board of Trustees, committee meetings and meetings of the Council in so far as such procedure is not regulated by its Bye-laws; and
- generally, all such matters as are commonly the subject matter of standing orders.

A general meeting of the Institution has the power to alter, add to or repeal the Standing Orders.

The Standing Orders are binding on all members of the Institution. It is a requirement that no standing order is inconsistent with, or shall affect or repeal anything contained in, the Charter, or the Bye-laws.

2. MEMBERSHIP: CLASSES AND QUALIFICATIONS

2.1. Corporate Members

The detailed criteria for election to and return from Retired Membership are set out in guidance issued by the Membership Board.

3. ELECTION TO MEMBERSHIP

Every candidate for election to any class of membership (other than Honorary Fellowship) shall make an application and be proposed in such a manner as the Board of Trustees may by regulations prescribe, including,

- The payment of any application fee in respect of their application which the Board of Trustees may decide;

- By what number and class of members the proposal shall be made

The detailed procedures for application to the various classes of membership may be found in guidance issued by the Membership Board.

Reinstatement

The Board of Trustees may reinstate any member whose membership has been suspended or terminated for any reason, subject to compliance with such conditions as it may determine, including the payment of subscriptions in arrears and a reinstatement fee.

5. COUNCIL

5.1. The Council

The Council of the Institution elects the trustees, except for the Officer holders who are elected at a general meeting and up to two individuals appointed by the Board of Trustees as additional Trustees. The Council provides advice upon the strategic and professional direction of the Institution.

Composition

- The President
- The Chair of the Board of Trustees
- Vice-President
- Three most recent Past Presidents
- The Honorary Treasurer
- Up to Fourteen Ordinary Members (who must each be voting members)
- Up to Seventeen Regions/Nations Members elected by each Region and Nation (who must each be voting members)
- Up to twelve Nominated Members (who can be voting and non-voting members)
- A nominated SoRSA representative (observer status only)

In addition, any Region and Nation outside the UK and Republic of Ireland can appoint up to one voting member to attend and vote at Council.

Council members are also expected to be actively engaged with CIHT through, for example, participating in the work of Strategic Boards, groups, and committees, set up to assist the Board of Trustees in its work.

5.2. Terms of office

a) Region or Nation members. Each Region in England can elect to Council one voting Member with a registered address in the region for which they are elected. Each Nation registered in the United Kingdom and the Republic of Ireland can elect to Council up to two voting Members with a registered address in the nation for which they are elected. All voting members registered in the relevant region or nation are eligible to vote. Region or Nation Members are elected for three years and are eligible for re-election for a further term of three years. After two terms they are not eligible to be nominated for election for one year.

International Regions and Nations can appoint one voting member with a registered address in the region or nation for which they represent.

b) Ordinary members are similarly elected for three years and are eligible for re-election for a further term of three years. After two terms they are not eligible to be nominated for election for one year.

c) Casual vacancies hold office for the unexpired term of office of the Region or Nation or Ordinary Member whom they replace and shall then be eligible for election in the normal way (i.e. the period served while filling a casual vacancy does not count towards the maximum overall term of 6 years).

d) Nominated Members are appointed by Council. They serve for one year at a time and are eligible for reappointment but the total period of service as a Nominated Member must not exceed six years whether consecutively or in aggregate. Unlike other members of the Council, Nominated members do not need to be voting members of the Institution. Up to six of the nominated members should be representatives of the following membership classes: students, graduates, and apprentices and a further two representing associate members.

5.3. Election of members to Council

Candidates for Ordinary Membership of the Council are nominated in writing either by the Council or by not less than four Voting members. Candidates for Region or Nation membership of the Council must be nominated in writing by not less than four Voting members registered in that Region or Nation. In any one year, a candidate may not stand in both Ordinary Member and Region or Nation elections. If an election is required ballot papers are sent to all Voting members. Ordinary Members are elected using the single transferable vote method and Region or Nation members by the first past the post method. The results are announced at the AGM of the Institution.

5.4. Roles of Council Members

All Members serve on Council in an individual capacity and have a duty to act in the best interests of CIHT. They do not represent their employer, the particular sector of employment, or any other specific constituency in their role.

a) Region or Nation members have a specific additional responsibility to provide a means of effective communication with the Region or Nation which elected them. Region or Nation members hold a place on their Region or Nation committee *ex officio* and are expected to attend meetings of their Region or Nation on a regular basis to report on the work of the Council, to consult the Region or Nation on issues of current concern, and to report back on the views of their Region or Nation (which may be different from their own views), as necessary.

b) Nominated Members are appointed by the Council to lend balance, breadth, weight and depth to the Council. Nominated Members may, for example, come from groups

within the Institution which are unlikely to have sufficient members to poll a majority in an election, they may be senior people, unable to commit to serve for 3 years, or they may be from a group that happens, by chance, to be underrepresented in a given year (for example, people from the academic world). Because Nominated Members do not have to be voting members, this sector may be used to appoint young members (for example, full time students) to lend a width of viewpoint to the Council.

c) Observers

The Council may appoint observers to Council in order to ensure effective collaboration, improve communication, or for other defined reasons. Observers may not vote but may contribute to the discussion. In appointing observers, the Council needs to be mindful of the fact that from time to time matters of commercial sensitivity are discussed. Arrangements must be agreed with observers for their absence from meetings where conflicts of interest could result.

5.5. Powers of the Council

The Council is responsible for:

- Advising the Board of Trustees on the strategic and professional direction of the Institution;
- the election and removal of the trustees (the Board of Trustees), except the two individuals appointed by the Board of Trustees;
- acting as a 'sounding board' for the trustees/directors as the organisation develops its policies;
- communication between the central organisation, and the members via the Region/Nation or by other means.

5.6. Proceedings of the Council

The Council is required to meet up to three times a year for the conduct of business. It may adjourn and otherwise regulate meetings as it thinks fit. At the request of the trustees or one third of Council Members, the Chief Executive shall at any time call a special meeting of the Council.

The quorum for meetings of the Council is one third of Council members or the whole number nearest to one third.

Any Council Member may participate in a meeting remotely via telephone or any other means of communication that enables everyone at the meeting to speak to and hear each other.

The President chairs the meeting, or in his or her absence, the Vice-President or Immediate Past President. If the President, Vice-President or Immediate Past President is not present within fifteen minutes after the time appointed for holding the meeting, the Council Members present can elect one of their number to act as chair.

Each Council Member has one vote in respect of proposals arising at a meeting of the Council, and matters arising are decided by a simple majority vote. In the case of an equality of votes, the chair has a second or casting vote.

5.7. Disqualification and removal of Council members

The reasons for the disqualification and removal of a Council member are set out fully in Bye-laws 20. This includes where he or she

- ceases to be a voting Member, other than Nominated members;
- resigns office by giving notice in writing to the Chief Executive;
- is absent without good reason for three consecutive meetings of the Council.

5.8. Officers of the Institution

The President, Vice-President and Honorary Treasurer of the Institution must be Voting members. Council can put forward nominations to the Nominations Panel with Officers being elected by the Voting members at the AGM.

If a vacancy for the office of President, Vice-President or Honorary Treasurer or among Ordinary Members or Region or Nation Members remains unfilled for a period of eight weeks, it becomes a casual vacancy. The Council has the power at any time to fill a casual vacancy. Any member so appointed holds office until the next AGM.

6. BOARD OF TRUSTEES

6.1. Board of Trustees

The Board of Trustees are the Trustees of the Institution. The Board is chaired by the Chair of the Board of Trustees. All Strategic Boards report to the Board of Trustees and the Chairs of Strategic Boards also serve as Trustees.

Composition

The Trustees who make up the membership of the Board of Trustees are the office holders of the posts of:

- Chair of Board of Trustees
- President;
- Vice-President;
- Immediate Past President; and
- Honorary Treasurer plus
- Up to eight Voting Members to be elected by the Council (including the chairs of all the Strategic Boards. Out of the eight members, one member should be a Young Professional and one member should be a representative of the Regions or Nations.
- Up to two individuals appointed by the Board of Trustees as additional Trustees, who do not need to be members, for such renewable terms as the Board of Trustees may determine.

The Chief Executive of CIHT assumes the position of Secretary to the Trustees. The Secretary is entitled to attend and speak at any meeting of the trustees provided that the Secretary shall withdraw from the meeting where the trustees wish to discuss a personnel issue which relates to the Secretary.

The trustees should together have the range of skills, experience and competency to enable the Board of Trustees to deliver their objectives.

The quorum for a meeting is half of the trustees.

6.2. Chair

The Chair of the Board of Trustees shall be a Corporate Member of the Institution.

Nominations for Chair shall be invited by the Nominations Panel at the same time as nominations for election to the Board of Trustees and Nominations will be put to the Council for election.

The Chair shall be elected for a term of two years (renewable once).

6.3. Powers of the Trustees

Subject to the provisions of the Charter, Bye-laws and any Standing Orders the business of the Institution shall be managed by the trustees who may exercise all the powers of the Institution.

6.4. Reporting

The Board reports its work and progress to the Council at each Council meeting.

6.5. Statement of Purpose

The Board of Trustees is responsible for directing the affairs of the charity and ensuring it is solvent, well run and delivering the charitable outcomes for which it has been set up.

Primary Objectives

The Board of Trustees' objectives are to:

- i) Set the 3-year business plan, and annual budget and work programme for the year ahead
- ii) Set the subscriptions rates each year in the context of the budget
- iii) Monitor the management accounts to ensure CIHT's financial position is sound
- iv) Monitors the progress in delivering the Business Plan and the annual work programme
- v) Determines what Strategic Boards it considers necessary to discharge its business
- vi) Agrees the terms of reference and membership of all Strategic Boards.
- vii) Agrees each Strategic Board's business plan and receives regular reports from Strategic Boards on progress against the plan
- viii) Receives reports on all operational and executive issues requiring the decision and agreement of the trustees
- ix) Receives reports from Strategic Boards which require Board of Trustees approval
- x) Annually receives the report of the Audit Committee
- xi) Annually reviews the organisation's risk assessment and acts where necessary
- xii) Makes recommendations to Council for the Award of Honorary Fellowships

6.6. Powers of Delegation

The trustees may delegate any of their powers to a Strategic Board. The Board of Trustees determines the number of Strategic Boards that it requires to assist it in performing its role but ultimate responsibility for the management of the Institution remains with the trustees.

The purpose of each Strategic Board and the manner in which Strategic Board meetings are conducted are set out in Standing Orders determined from time to time by the trustees. Every Strategic Board must, in the exercise of the powers delegated by the trustees, conform to any restrictions that may be imposed in such Standing Orders.

Role and relationships – Board of Trustees and Strategic Boards

Strategic Boards have no authority other than that delegated to them by their terms of reference which must be agreed by the Board of Trustees and reviewed annually. Strategic Boards have no budget unless expressly delegated to them by the Board of Trustees.

Board	Role
Board of Trustees	-Sets Business Plan, Annual budget and work programme for the year
	- Agrees terms of reference and membership of Strategic Boards (and variations to the same)
	- Agrees business plans for each Strategic Board
	- Delegates the delivery of the business plan within agreed resources
	- Monitors the work of each Strategic Board to ensure that the Strategic Boards are performing effectively and in line with the Institution's strategy
	- Provides the forum for liaison between Strategic Boards to ensure that work is neither duplicated, nor missed.
Strategic Boards	- Deliver business plan in accordance with terms of reference, directly or via working groups or equivalent.

6.7. Proceedings of the Board of Trustees

The Board of Trustees meets normally at least five times a year. The quorum for meetings of the trustees is one half of the trustees (or such other number as the trustees shall by resolution determine). Trustees can participate in a meeting via telephone or other means of communication where everybody participating in the meeting can speak to and hear each other.

Meetings are chaired by the Chair of the Board of Trustees, or in his or her absence, the President or Vice-President present. If the Chair of the Board, President or Vice-President is not present within fifteen minutes after the time appointed for holding the meeting, the members present can elect one of their number to act as chair.

Each Member has one vote in respect of proposals arising at a meeting of the Board of Trustees, and matters arising are decided by a simple majority vote. The chairperson has the casting vote. To vote, Trustees must be present at a meeting or participating by telephone or other means of communication where everybody participating in the meeting can speak to and hear each other.

Trustees must not vote in respect of any contract or matter in which he or she is interested or on any matter arising from it.

A resolution in writing signed by all trustees is as valid and effectual as if it had been passed at a meeting of the trustees.

6.8. Disqualification and removal of a trustee

The circumstances where a person shall cease to be a trustee are set out in full in the Bye-laws (clause 26).

6.9. Audit Committee

a) Role: The Audit Committee's role is to provide assurance to the Trustees that the Institution, including its trading subsidiaries, is being operated in accordance with best practice, within the law, with financial probity, and in accordance with the requirements of relevant regulators.

b) Reporting: The Audit Committee reports to the Board of Trustees and is required to make at least one formal report each year. Whilst responsible to the Trustees the Audit Committee is essentially outside the formal reporting structure (i.e. it determines its own work plan and is free to comment on the work of the Council, Board of Trustees or staff as it thinks fit). The Audit Committee's reports, while addressed to the Trustees, will also be made available to the Council of the Institution for discussion.

c) Membership: Six current or former members of the Council of the Institution including a Past President and a Region or Nation Representative. The quorum is three. The maximum term of office for members of the Audit Committee is 6 years, with appointment and reappointment after 3 years by the Board of Trustees. In addition, the Vice President attends the meeting ex officio. The group has the power to co-opt specialist help as required (for example, personnel or finance advisors from other organisations). The Hon Treasurer, the Chief Executive, and the Director of Business and Corporate Services or equivalent are invited to attend the committee to contribute to the discussion, answer questions, and prepare and present reports but they are not members of the Audit Committee.

7. STRATEGIC BOARDS

7.1. Appointment of Strategic Board members

Council members, who wish to sit on one of the Strategic Boards or any other panel or group, are asked to indicate their preferences to serve at the beginning of each Council year. In the light of the preferences shown, the membership of each Strategic Board is determined. While every attempt is made to acquiesce to the preferences of the individual Council Member, there may be times when a Council member is asked to serve on his or her second or third choice. This will be to ensure that all the Strategic Boards are broadly representative of the membership and have a full range of skills, background and experience appropriate to the activity of the Strategic Board.

Each Strategic Board's membership is then supplemented by the appointment of a number of expert advisors to ensure the right balance of skills, expertise and experience exists on each of the Strategic Boards. Advisers have full voting rights on the Boards on which they serve. The requirements for advisers are determined by the Chair of the Board, in consultation with others as required. Advisers do not have to be voting members of the Institution (although it is preferred). Advisers serve on Strategic Boards for one year at a time and are normally expected to stand down after 6 years' service on any Strategic Board.

7.2. The appointment of Chairs

The appointment of Chairs of Strategic Boards is for one year at a time. Chairs must be members of the Council (in any capacity – i.e. Region or Nation, Ordinary or Nominated Member) and subject to the additional requirement that they be full Voting members of CIHT. In addition, as Strategic Board Chairs they must also be Trustees they must not be in any way disqualified from serving as a Charity Trustee or a Company Director. Chairs of Strategic Boards are appointed by the Council.

In the months before election, views are canvassed by the Nominations Panel on suitable candidates for Chair of each Strategic Board. The Panel takes into account past involvement with CIHT and the Strategic Board concerned, the skills and background required and upcoming work plans for each Strategic Board in the year ahead, succession planning requirements for each Strategic Board and also the trustee body. Candidates for appointment are consulted in advance of the Council Meeting to ensure that they are content to be put forward for appointment and this consultation is normally carried out in person by the Chair of the Nominations Panel in office at the time.

These nominations go forward to the Council for approval. At the same time the Chairs of Strategic Boards are also elected as Trustees to serve on the Board of Trustees for the following year.

7.3. Strategic Boards – Key Roles

Following the Governance Review in 2019/2020 it was agreed that the External Affairs and Communications Strategy Board would be disbanded with matters relating to strategic external affairs and communications being the responsibility of and reported directly to the Board of Trustees and the Membership and Skills Strategy Board would be split into two Boards.

The new structure has four Strategic Boards supported by various Panels/Groups/Networks. The terms of reference for the Strategic Boards are reviewed annually by each Board respectively with any changes requiring the agreement of the Board of Trustees. The key roles/purpose are set out below.

7.4. All Strategic Boards

- To identify priorities and agree a work programme for the work of the Board and Panels/Groups in its jurisdiction.
- To receive reports on the work of the Panels/Groups and monitor progress. Review need for Panels/Groups at least annually.

a) Learned Society/Technical Strategy Board

- To act as a 'think tank' identifying best practice and current/emerging issues in the industry
- To promote and support innovation, progress and excellence in the profession
- To stimulate research and studies, and facilitate the dissemination of knowledge, information and results, to the membership and profession

b) Membership and Member Services Strategy Board

- To develop strategies to grow the Institution's membership
- To set and review standards and requirements for membership

- To set and review the strategy for the maintenance and development of the CIHT regions/nations
- To monitor the regular review and development of member services to maximise member engagement
- To review subscription rates and make recommendations to the Trustees on fees for forthcoming years
- To have strategic oversight of the Disciplinary Procedure and Professional Code of Conduct

c) Education and Professional Development Strategy Board

- To set and review the strategy for providing pathways to professional registration
- To monitor compliance with mandatory CPD and review CPD opportunities open to members
- To maintain a strategic overview of government policy on education with particular regard to STEM subjects and respond to consultations as appropriate
- To maintain a strategic overview of skill requirements and support initiatives that enhance skills and promote careers in highways & transportation.

d) Appian Trading Board

- To provide a strategic oversight of the commercial opportunities for the Institution
- To agree and oversee the delivery of the centrally organised social and technical events programme
- To optimise income from sponsorship opportunities as appropriate
- To oversee and monitor the effective delivery of strategies for optimising income from room lettings and other non-charitable activities
- To oversee and monitor the effective delivery of the partnership networks

7.5. Panels/Groups/Networks

Panels/Groups/Networks can be standing or set up for a specific purpose or time limited. Their role is to assist Strategic Boards to carry out specific activities contained within the Strategic Board's remit. Their terms of reference and membership need the approval of their Strategic Board.

7.6. Reporting Arrangements

All Strategic Boards are required to report their work and progress to the Board of Trustees on a regular basis, together with the work and progress of any relevant working groups, panels or networks reporting to them. All Strategic Boards are required to prepare a work programme setting out how the Strategic Board aims to deliver the strategic objectives of the Institution, for approval by the Board of Trustees. Once approved, progress reports are made to each meeting of the Board of Trustees. The Chairs of Strategic Boards will be expected to attend Board of Trustees meetings and deliver the report. The Vice Chair will attend in the Chair's absence if required, but since he or she will not be a properly appointed Trustee/Director, he or she will not have a vote on any decision.

7.7. Responsibilities of Strategic Board Chairs

Each Board Chair will be supported by a Secretary (normally a Director of the Institution), and additional operational staff. Responsibilities include

1. To Chair the Board in an effective and productive manner
2. To produce Terms of Reference for their Board and update them as required (subject to the approval of the Board of Trustees); and ensure the Board always acts within these.
3. To oversee the production of work programmes for their Board which support the Strategic Objectives and Business Plan of the Institution.
4. To ensure with the responsible Executive Officer that work items are completed in timely fashion and within agreed budgets; and that summary reports on the work programme, current and proposed, are provided to the Board of Trustees.
5. To allocate responsibilities to individual members of their Board and co-options, for aspects of the work programme; and to monitor their performance.
6. To oversee the establishment of panels/groups/networks as required to progress particular pieces of work.
7. To advise the Board of Trustees on Board advisors.
8. To advise the Board of Trustees of any issues, especially those with financial and policy implications that it needs to take account of.
9. To represent the Institution at technical meetings and meetings with government ministers, civil servants etc as required.

7.8. Responsibilities of Strategic Board Vice Chairs

Where a Vice Chair is appointed by the Strategic Board, the Vice Chair assists the Chair in whatever way is mutually agreed; and acts in the Chair's place when the Chair is absent.

7.9. Support

Boards are normally supported by a dedicated 'Board Secretary'. Board Secretary responsibilities go well beyond simply 'clerking' the meeting – and include providing advice, guidance, and carrying out research and report writing activities. Panels/Groups/Networks may or may not have staff secretarial support, depending on the nature of the project being done.

8. NOMINATIONS PANEL

8.1. Purpose

The Nominations Panel shall have authority delegated to it by the Board of Trustees to:

- Annually consider succession planning for the Board of Trustees including the Chairs of Strategic Boards
- To carry out a process of nominating candidates to the Board of Trustees and Audit Committee and making recommendations to Council
- To carry out a process of nominating Officers of the Institution for election at general meetings
- To evaluate the balance of skills, knowledge, experience and diversity required by the Board of Trustees and the Chairs of the Strategic Committees

- To agree and keep under review role descriptions for a Trustee, Chair of the Board of Trustees, President, Chair of Appian, Honorary Treasurer and the Chairs of the Strategic Boards
- Review the results of the Board of Trustee's performance evaluation process that relate to the composition of the Board of Trustees.

8.2. Composition

The Nominations Panel will be a panel of the Board of Trustees and the Board of Trustees will agree and review the Panel's terms of reference annually. The Panel shall be made up of the President, Immediate Past President, Chair of the Board of Trustees and two Council members who will be elected by Council. The Nominations Panel shall be chaired by the Chair of the Board of Trustees.

The Nominations Panel will be supported by the Chief Executive and Governance Officer.

8.3. Process

The Nominations Panel shall seek nominations from Council to the role of Vice President and Honorary Treasurer. The Panel will consider all nominations and draw up a list to recommend to Council prior to nominating a candidate for election at a general meeting. If there is more than one candidate proposed by the Nominations Panel for a role, the Council will be asked to vote via a ballot.

For all other Trustees roles, including Chair of the Board of Trustees, Chair of Appian and the Chairs of Strategic Board, but excluding up to two individuals appointed by the Board of Trustees as additional Trustees for such renewable terms as the Board of Trustees may determine, the Nomination Panel will seek nominations from Council and draw up a list to recommend to Council for election. If there is more than one candidate proposed by the Nominations Panel for a role, the Council will be asked to vote via a ballot.

9. CONDUCT OF MEETINGS

Introduction

Meetings shall be chaired in such a way as to ensure the maximum participation of all members and good decision making. Generally speaking, discussion will be led informally by the Chair with discipline being maintained by common consent. However, on occasion formal motions are required (for example, decisions on the appointment of auditors, or setting cheque signing limits). Guidance on formal motions is set out below.

This guidance applies to meetings of the Council, Board of Trustees, Boards and Panels. The Bye-laws set out rules for the conduct of the AGM and EGMs at paragraph 10.

9.1. MINUTES

a) Minutes

Minutes of every meeting of the Council, shall be submitted to, and approved as a correct record at the next following meeting of the Council, even if the next meeting is an extraordinary one.

b) Approval of Minutes

The Chair or the person presiding at the meeting shall put the question that the Minutes submitted be approved as a correct record.

A copy of the approved minutes is stored by the Institution (currently in electronic format), on the following basis:

Council	in perpetuity
Board of Trustees	in perpetuity
Other Boards	20 years (after which the material is weeded for matters of historical interest)
Panels, working groups and networks	5 years

c) Limitation on changing Council or Board of Trustees decisions

Decisions made by Council or the Board of Trustees may not normally be revisited within 6 months of the decision, unless a request is made by at least one third of the members of Council, in writing, or the Board of Trustees asks the Council to revisit its decision.

d) Decisions

Generally speaking, items for discussion in Council, Board of Trustees or Strategic Boards shall indicate whether the item is for Decision, for Discussion (i.e. airing of the issues around the point in question, generally with a view to shaping proposals which will be for decision at a later meeting) or for note (useful information, which members need to be made aware of).

Where an item is 'for decision', the Chair shall ensure that members are aware that a decision is to be made. Proper time shall be devoted to ensuring that members can put their views in favour, or against before a decision is reached. It is the responsibility of the Chair to summarise the issues before the decision is made although he or she may delegate that task to another member of the Council or Board or to a staff member. The Board Secretary will advise whether a formal resolution is required at the end of the discussion (for example, approval of the annual accounts). If a formal motion is not required, the Chair will summarise the view of the meeting, as it will be reported in the minutes and seek the support of the Board on an informal basis. Where a formal resolution is required, a Motion will be moved (normally by the promoter of the recommendation), seconded from the floor, and the decision made on a show of hands. If the motion is not approved, the meeting shall agree what further action if any is required – which will be reported in the Minutes.

Alternatively, if the Chair is of the opinion that the matter has not been sufficiently discussed and cannot reasonably be sufficiently discussed on that occasion, he shall put the Motion to adjourn the debate or meeting to the vote. The original Motion or remaining business shall then stand over as uncompleted business until the next meeting of the Council, Board or Panel, as the case may be.

9.2. VOTING

a) Voting by Show of Hands

Except when a recorded vote or a written ballot is carried out, the method of voting at all meetings shall normally be by show of hands. This also applies when members join a meeting electronically that enables everyone at the meeting to speak to, see and hear each other, then a show of hands will be accepted.

b) Chair's casting votes

Whatever the method of voting, in the case of an equality of votes, the Chair or the person presiding shall have a casting vote whether or not he/she voted before.

c) Voting on Appointments

11. FINANCIAL REGULATIONS

The Charity Commission and Companies House

CIHT is a registered charity in England and Scotland and Republic of Ireland. As such it is required to carry out all of its business in conformity with all relevant charity's legislation. Although, as a Chartered Body, the Companies Act does not apply to the Institution, the Institution's policy is to adhere in broad terms to the requirements of the Companies Act. CIHT makes annual returns to all relevant organisations. The Institution's trading subsidiary Appian Trading Limited is registered as a limited company. Returns are made on behalf of the company to Companies House.

The CIHT Financial Regulations provide a framework to ensure a reliable system of internal control is in operation. The Regulations ensure that the institution;

- is financially viable and sustainable
- has effective financial controls over the use of public funds and other funds
- complies with relevant legislation
- safeguards its assets
- achieves value for money

All staff and volunteers holding positions of office are personally responsible for familiarising themselves with the Financial Regulations and ensuring that they comply with them.

The decisions of the Boards must be consistent with the regulations in all respects. The financial regulations are reviewed annually by the Audit Committee. A copy of the current regulations can be obtained from the CEO or Director of Corporate and Business Services.

12. CONFLICTS OF INTEREST

All members of the Institution are required to adhere to the Institution's policy and procedures on Conflicts of Interest. The Policy (and associated procedures) is published on the Institution's website and is also available by request from the CEO and Director of Corporate and Business Services.

The purpose of the policy is to protect the integrity of CIHT's decision-making processes, to enable stakeholders to have confidence in the Institution's integrity, and to protect the integrity and reputation of those involved.

Trustees have a legal obligation to act in the best interests of the Institution, in accordance with CIHT's governing documents, and to avoid situations where there may be a potential conflict of interest. This includes avoiding actual conflicts of interest as well as the perception of conflicts of interest.

Conflicts of interests may arise where an individual's personal, business or family interests and/or loyalties conflict with those of CIHT.

Failure to disclose conflicts of interest:

Where members do not identify or properly respond to a conflict of interest, there can be serious consequences for the affected individual(s), the Institution, and public trust and confidence in charities generally. Where members have acted outside the terms of the Institution's governing document or the law, their decision may not be valid. It could be challenged by the Charity Commission or by an interested party/stakeholder.

Where there is a deliberate intent to exploit a conflict of interest it may be viewed as a type of fraud. The legal and regulatory consequences of such will largely depend on the nature and severity of the conflict, its impact on the Institution, and the ability of the Trustees or Council to remedy the situation and operate in line with their duties.

A member who deliberately fails to disclose a conflict of interest may be subject to disciplinary action under CIHT's Code of Professional Conduct.

13. REGIONS AND NATIONS REGULATIONS

Each Region or Nation is required to operate within the following regulations which are included in the Regions and Nations handbook.

Where there are two or more candidates for positions of Region or Nation Officers or Committee membership, the Secretary shall send to each voting member of the Region or Nation a balloting list containing the names of the candidates, brief biographical details and where relevant, past committee attendance records, together with details of the vacancies to be filled. Completed balloting lists must be returned to the Secretary without any identification marks not later than 48 hours before the commencement of the AGM.

The Committee, or with its authority the Secretary, shall appoint two scrutineers who are not members of the Committee, to whom the ballot papers shall be delivered unopened for scrutiny and counting. The result of the ballot, signed by the scrutineers, shall be given to the Secretary for announcement at the AGM.

In the event of a tie, the successful candidate(s) shall be decided by lot as the Chair may direct. If a vacancy remains unfilled, it shall be deemed a casual vacancy and may be filled by the Committee as it sees fit.
