CIHT Northern Ireland Region – Annual General Meeting; Early Notification

Please note that our AGM will take place on **Monday 10th May 2021**. A more formal announcement will be made in the forthcoming weeks with details of the proposed elected office bearers and ordinary members of the committee.

Prior to this, we would welcome applications for new members for the CIHT NI Regional Committee.

Are you a member of CIHT, and would you like to take a proactive and voluntary role in helping run the local Northern Ireland Region? We are always on the lookout for new committee members to keep us fresh, focused and relevant to our membership. **As well as looking for new ordinary members of the committee, we currently have specific openings for officer roles for Events Co-ordinator and Assistant Secretary.**

We look to include a broad representation from across the relevant sectors – central and local government, private sector consultancy and contractors and academia.

We would particularly welcome applications from young professionals who are either starting out in their career or who have recently become professional qualified to join our Young Professionals Group. Involvement in the committee will count towards Continuing Professional Development and can lead in the longer term to involvement in national CIHT activities.

If you are interested, and would like to find out more please get in touch with our current Chairman, Kaine Lynch at klynch07@qub.ac.uk or tel: 07885287087.

Formal applications should be made by email to:

Roisin Wilson, CIHT NI Regional Secretary, Email:
roisin.boyle@infrastructure-ni.gov.uk,

by 4pm on Friday 16th April 2021. Applications should be supported by four regional members and signed by you the candidate to show you are willing to stand.
