

CIHT Yorkshire & the Humber Award

for

Best Small Highways & Transportation Project 2021

This award recognises the best large project, study or scheme valued at under £1million completed over the last 18 months within the Yorkshire & the Humber region, ie. a scheme developed or delivered within the region or a study based upon an area within the region that illustrates best practice across a range of criteria.

Note any scheme submitted for a CIHT Yorkshire & Humberside Region award in previous years is not allowed to be entered again.

The scheme or study will have been delivered by a group or team that can be seen as ambassadors for our profession and who will have demonstrated excellence in the planning or engineering field within the highways and transportation industry.

Criteria for the award

- **Quality of delivery**
 - robustness of research/ design strengths/ construction techniques and evidence base
 - what made the project particularly innovative e.g. delivery method, technical aspects, manufacture, supply chain involvement, consultation
- **How problems and/or constraints were overcome as part of the project**
 - Gaining stakeholder or political buy-in, challenging perceptions, community engagement
- **Benefits to society**
 - Eg improved safety, reduced congestion, environmental impact, cost savings, regeneration, benefits to other sectors e.g. education, skills, jobs, health and wellbeing
- **How the project contributed towards sustainability**
- **How the project demonstrated best value and cost-benefit and**
- **What makes this project particularly significant for the Yorkshire & Humberside Region?** Eg. groundbreaking, legacy creating, in support of a major driver for the region

Eligibility

Entries will be accepted from owners, clients or direct stakeholders, working in highways or transportation in a public, private or voluntary capacity.

Judging

An independent panel of judges will seek evidence of excellence in the criteria but note that not all criteria have to be met as the aim of the award is to highlight best practice in the region.

Entries failing to meet the specified criteria or which are not submitted in the requested format will not be considered.

Entries & Submissions

The entry should take the form of a maximum 1,000 word submission by the member stating details of the project in accordance with the above criteria.

As the ceremony is virtual this year, the judging panel would appreciate a 3 minute long video presentation from the member introducing the scheme. This video may be used during the virtual ceremony.

The submission should be made electronically by Friday 27th August 2021 and the winner will be determined at a meeting of the Yorkshire & The Humber Region Awards Sub-Committee.

Please email your submissions to yhwards@ciht.org.uk and yorkshireandthehumber@ciht.org.uk

Award

The winner will be announced during a virtual awards ceremony which will be held on **September 24th 2021**. Due to the Covid19 situation, an in-person awards ceremony will not be held this year. The virtual ceremony will be published on the CIHT website. It is expected that the applicants will be present during this virtual ceremony with voice and video capability to accept the award

The winning entry will be awarded a certificate and perpetual shield of a sculpture of John Smeaton. The winner of the award will have details published in an issue of Transportation Professional.

The winner of this award will be required to present their project at a future CIHT Evening Meeting or webinar.
