

‘Blind Jack’ CIHT Yorkshire and the Humber Award

for

Emerging Professional of the Year 2021

This award recognises an emerging professional who is an achiever in our industry. The judges are looking for the person that has best demonstrated a positive impact in the field of highways or transportation in the Yorkshire and the Humber region and who is making an exceptional contribution to their workplace. The aim of the Award is to celebrate individual excellence in transportation planning and/or civil engineering within the highways or transportation sector.

Criteria for the award

The criteria for the Award are:

- **Commitment:** applicants need to demonstrate their commitment to personal development and progression and to the industry;
- **Contribution:** applicants need to show they have made an outstanding contribution to their workplace – in particular, areas or projects where they have exceeded expectations and made a positive impact on their business or a project. For example on sustainability, inclusivity, equality, innovation, safety and diversity.
- **Success:** applicants need to demonstrate inspirational levels of achievement and attainment, and that they have made an impact on their organisation or their role in any project and making reference to any attributes you display that point to future leadership and success.

Eligibility

The applicant must:

- Be in full time employment in the highways or transportation sector within the Yorkshire and the Humber Region;
- Have less than 10 years experience in the highways or transportation sector.

Judging

An independent panel of judges will seek evidence of excellence in the criteria and determine which nomination to support for the Emerging Professional of the Year Award.

Entries failing to meet the specified criteria or which are not submitted in the requested format will not be considered.

Entries & Submissions

The entry should take the form of a maximum 1,000 word submission giving details of how the applicant has met the above criteria. This document should include a photograph of the applicant and of their submission. This information may be used as a part of the presentation. This document may include details of a notable project that the applicant has worked on to assist in demonstrating the above criteria.

As the ceremony is virtual this year, the judging panel would appreciate a 2 minute long video presentation from the applicant introducing themselves and their submission. This video may be used during the virtual ceremony.

The submission should be made electronically by Friday 27th August 2021 and the winner will be determined at a meeting of the Yorkshire & The Humber Region Awards Sub-Committee.

Please email your submissions to yhawards@ciht.org.uk and yorkshireandthehumber@ciht.org.uk

Award

The winner will be announced during a virtual awards ceremony which will be held on **September 24th 2021**.

Due to the Covid19 situation, an in-person awards ceremony will not be held this year. The virtual ceremony will be published on the CIHT website. It is expected that the applicants will be present during this virtual ceremony with voice and video capability.

The winning entry announced on the night will be awarded a certificate and perpetual sculpture of John "Blind Jack" Metcalf, together with a cheque for £150. The winner of this Award will have details published in a subsequent issue of Transportation Professional.
