Travelling to Nottingham Trent University City Campus

By car

Nottingham is at the heart of the country and is well served by the motorway network.

The M1 passes close to the west of the city, the A42 / M42 link to the south-west of the city and the A1(M) to the east of the city. When using the M1 from the North, exit at Junction 26, and take the A610 Nuthall Road / Alfreton Road into the city. When using the M1 from the South, use Junction 24 and follow the A453 into the city centre.

Car parking www.nottinghamparking.co.uk

University car parks on the City Campus are not open to visitors. There are a number of public car parks nearby. The Forest park and ride tram service is particularly convenient and always popular with visitors. Parking for people with disabilities will be accommodated on the campus if possible.

By tram www.thetram.net Tel: +44 (0)115 942 7777

The Nottingham Express Transit (NET) tram stops on the University's City Campus, providing a convenient link from the railway station and Broadmarsh Bus Station. There are also several park and ride stops along the route, which provide convenient places to park when visiting the University. The Phoenix Park park and ride site is close to Junction 26 of the M1, and the Forest park and ride site is near to the city centre.

By coach www.nationalexpress.com Tel: +44 (0)8717 818178 (National Express)

National Express coach services operate from the Broadmarsh Bus Station. The City Campus can then be accessed on foot, by tram or by bus from the Broadmarsh shopping centre area.

By rail www.nationalrail.co.uk Tel: +44 (0)8457 484950 (National Rail Enquiries)

Nottingham Station is located approximately one mile from the City Campus, which can then be accessed on foot, by tram or by bus.
