

## Innovation in Highways and Transportation Award 2017/18

This award is for innovative problem solving within the highways and transportation industry either developed or implemented in the East Midlands region. Its purpose is to recognise and encourage advancements in our industry through turning imaginative concepts into practice whether in approach, specification, design, on-site practice, processes, systems, materials or any other aspect related to highways and transportation.

Entries must clearly explain how the submission meets the criteria specified. Maximum marks attainable for each criteria noted in brackets.

### Judging Criteria for the award:

- What problem has this solved? (10)
- How is it doing things differently to current practice? (10)
- What are the benefits to the user? And how are these evidenced through performance measures, user feedback, etc. (15)
- What are the other attributes of the innovative approach: efficiency, sustainability, ease of use, etc.(15)
- Implementation of solution (communications, training, management) (10)
- Value for money - outcomes/benefits versus cost (10)
- Potential wider implementation of the innovation(10)

Judging will commence shortly after 28<sup>th</sup> September 2018.

### How to enter:

To enter this award please complete an **Entry Form** and provide a 1,000 word supporting document on your entered project, and return to: [eastmidlands@ciht.org.uk](mailto:eastmidlands@ciht.org.uk)

Please ensure that you have read the Submission Information before submitting your entry.

The deadline for entries is 23:59 on Friday 28th September 2018.
