SECTION 4. WRITTEN REPORT

This is where you give work examples that show that you meet the EngTech competence requirements as set out in the Engineering Council document *UK Specification for Professional Engineering Competence (UK-SPEC)*. You should read the End Point Assessment guidance notes before completing this section.

4a. Give an example of a project or task where you solved a technical problem, explaining your role and how you selected the appropriate techniques, procedures and methods used. Tell us about any scientific, technical or engineering principles you used and how you reported or made recommendations on what you did to your employer or other people involved such as clients or suppliers. Include anything you did to prevent harm to people, equipment or data.

Aim to provide 450-500 words

4b. Give an example of how you have identified, planned, and organised the resources needed to effectively complete a project, explaining how you took into consideration cost, quality, safety and any environmental impact. Remember to think about what equipment was used, how data was gathered and analysed and how you initiated the project to produce the desired outcome.

Aim to provide 450-500 words

4c. Give an example of how you have complied with the CIHT Code of Conduct, how you keep in touch with developments in your technical area and how you have continued to develop your knowledge and skills?

Aim to provide 450-500 words

SECTION 5: Continuing Professional Development CPD

You should read the CIHT CPD policy before completing this section www.ciht.org.uk/cpd

Your CPD record is a way of showing that you have been building on the skills and knowledge that you have gained through your apprenticeship training with other learning, for example supplementary reading, self-study, technical meetings, shadowing of work colleagues.

Please list any CPD activities that you have undertaken during your apprenticeship in the table below, giving a brief description of what you learned from each activity.

DATE	PLAN What did I aim to learn?	ACT Details of CPD Activity (What/Where?)	RECORD Number of CPD Hours	REFLECT Knowledge/skills gained/applied

Your declaration

I declare that the information in this application is complete and correct.

I understand that, if my end point assessment is successful, I will receive my apprenticeship completion certificate, I will be put forward for registration with the Engineering Council as an Engineering Technician and my CIHT membership will be upgraded from Apprentice Member to Member (MCIHT). I will continue to abide by CIHT's Royal Charter and Bye Laws and the Code of Professional Conduct.
