

# CIHT East of England Award 2019

## Sustainable Transport

This award recognises the contribution of transport to social, economic and environmental sustainability. Entries are sought from teams or individuals based in the East of England who have done work during 2018 such as promoting sustainable travel choices, providing infrastructure for sustainable travel, using sustainable or lower energy materials, reducing collision risk or increasing durability to reduce maintenance costs.

It will have been delivered by a team that can be seen as ambassadors for our profession who will have demonstrated excellence in the planning or engineering field within the highways and transportation industry.

An independent panel of judges will seek evidence of excellence in the planning, design, implementation and construction.

Judges will review the project submission against the following criteria:

- **Environmental**- (social and economic benefits)
- **Mode shift** (towards more sustainable modes of transport)
- **Innovation**
- **Objectives met**
- **Planning** (robustness of research and consultation)
- **Implementation** (management, operation, communications)
- **Value for money** – (outcomes/benefits versus cost)
- **Wider implementation potential**

Please email your 1000 word submissions to  
[eastofengland@ciht.org.uk](mailto:eastofengland@ciht.org.uk)
