

## CIHT Scotland Annual General Meeting 2019

Date: Thursday 23<sup>rd</sup> May 2019

Time: 17.30 for 18.00

Venue: 19A Canning Street, 3rd Floor, Caledonian Exchange, Edinburgh EH3 8EG

Join the Committee for this year's Annual General Meeting.

This is an exceptionally important event within the Regions calendar as it allows you, the Membership, to have a direct say in how the Committee is ran and direction you wish to see over the coming year.

In addition to receiving an update on what's been undertaken over the last twelve months, Members will also be able to vote for a new Committee who will preside over another busy and productive year in 2019 – 20.

During the AGM there will be a special call for the following positions to support your Scottish Region:

- Events Coordinator,
- Recruitment Officer, and
- Scottish Policy Forum members.

The region encourages anyone from the general membership who is interested in these roles.

Following the formal AGM proceedings there will be the opportunity to network in more casual surroundings (of a nearby public house).

If you would like to attend or request further information on this event please contact Nicola Blaney:
