Seating Requests

Q **We've booked multiple tables and would like tables together**

A [During the online booking process, please add any seating requests in the comments field](#). Where bookings are made at the same time, we aim to place multiple bookings together where possible. However, where you have already made an original booking and subsequently add to it at a later stage, it is less likely that you would be side by side and no guarantees can be made.

Q **We would like to be seated next to other companies e.g. 'I've made a separate booking but I would like to be seated next to 'xxx' if possible**

A It is really important to indicate any seating requests at the time of submitting your booking. CIHT makes every effort to accommodate seating requests, however we cannot provide guarantees. [Please also see note above & add any seating requests in the comments field when booking.](#)

Guest Information Submission required by Wednesday 29 May

Q Can you take my guest information over the phone?

A No. Given the large number of guests, this is not possible. **The protocol is that all guest information must be entered into an Excel template in the correct format, which will be emailed to you in advance.**

Q If I can't get the names or special meals to you by that date what happens?

A Any special meal requests received **after Wednesday 29 May** will be passed on to the catering company. They will make every effort to accommodate guest special meal requests. However, depending on how much notice they have been given they may not be able to guarantee them.

Q Guest name place cards

A Please note that CIHT will print only one set of place cards. If your guest information has not reached us in time and where we may have none of your guest information, the place cards will still be printed e.g. Company Name, Guest. *You are welcome to bring your own place cards and place these at your table(s) or seats.* Changes received **after Wednesday 29 May** will also not be reflected.
