North East & Cumbria Region Annual Awards 2019

Apprentice of the Year Award – Entry Form

The CIHT North East & Cumbria Region Annual Awards celebrate the very best that the region can offer across four areas of highways and transportation. Open to everyone: members and non-members; small and large companies; public and private sector, the awards recognise the outstanding contribution the CIHT Region makes to all our lives.

The Apprentice of the Year Award, sponsored by **Arup**, recognises the efforts of one Apprentice who, in addition to undertaking their duties has proven to be a rising star within the Region. During their time within the industry they consistently go above and beyond their daily duties and assist their colleagues with their professional development.

Entries can be made via this pro forma and you should look to provide a response to each section, demonstrating your reasons for your submission.
