## North East & Cumbria Region Annual Awards 2019

### Sustainable Project of the Year Award – Entry Form

The CIHT North East & Cumbria Region Annual Awards celebrate the very best that the region can offer across four key areas of highways and transportation. Open to everyone: members and non-members; small and large companies; public and private sector, the awards recognise the outstanding contribution the CIHT Region makes to all our lives.

The Sustainable Project of the Year Award, sponsored by **Jacobs**, recognises projects, products, policy initiatives, research or strategies delivered in the past two years by the highways and transportation industry that can demonstrate a contribution to sustainable working and living in the North East & Cumbria or been undertaken by people working in the area.

Entries can be made via this pro forma and you should look to provide a response to each section, demonstrating your reasons for your submission.
